[Back In The Saddle](#) is owned by BC Horse Whisperer Darcy Campbell, and managed by Caraline Campbell. They're the #1 rated trail riding destination in Langley & Surrey.

Back In The Saddle horses are well-trained and well-cared for. Many of the horses are "middle-age", veteran family horses who, through no fault of their own, ended up in auctions which are pipelines to the dog food slaughter industry. Back In The Saddle saves these horses from slaughter and gives them new purpose.

90% of the Back In The Saddle herd is in their unique ownership program -- loved by happy members who would otherwise be unable to own a horse. Horses in the ownership program board with Back In The Saddle **free** of charge. The majority of common costs are included in the free board. In exchange, owners' horses are used for customer trail rides when owners are not riding. And that's significant: boarding horses in the Lower Mainland can be as expensive as \$800 a month. Prices per horse depend on the horse's age and training.

They offer a variety of gift packages, from fun 2-hour Pub Rides to Langley's Artful Dodger Pub, to their customized "Backcountry" trips which include a 2 or 3 night/day trip through Aspen forests, viewing wild horses and other amazing BC wildlife on horseback. Breathtakingly scenic, these rides include Douglas Lake Ranchland, Nicola Lake areas, Alpine Trails and more, all just a few minutes outside of Merritt, BC. Participants stay overnight at a 130 year old private working ranch house and meals are included.

So if your Valentine is a horse or nature lover, this Valentine's Day make a memory to last forever! Book now, special pricing ends on February 14. Gift Certificates can be mailed or emailed so you can print them at home.
